Hi Mike.

I also would appreciate a meeting. At this time, I would like to make the Tuesday meeting, but I still have an inspection that I might have to go on and I am not sure if it will be that day or not.

I'm cc'ing my supervisor so he is aware of this meeting. He and I can discuss my schedule when I get back to the office on Monday.

I am flying out of Houston on Sunday.

Subject: Demobilization date and Hotwash date

All,

I am just checking in with you all to see when you think you may be released from your duty location (I know that Michelle and Matt are already back) and will be traveling home. The EOC records show that Joan will be released on the 24th, Carol on the 22nd and Shelia on the 23rd. Is that still correct?

Also, would you all like to conduct a Hotwash/Debrief with Michelle Jaster and myself? If you are interested, we were thinking of Tuesday the 26th in the morning sometime. Please let me know if that works for you. We can have it in the EOC conference room.

Thanks,

Mike
